Message

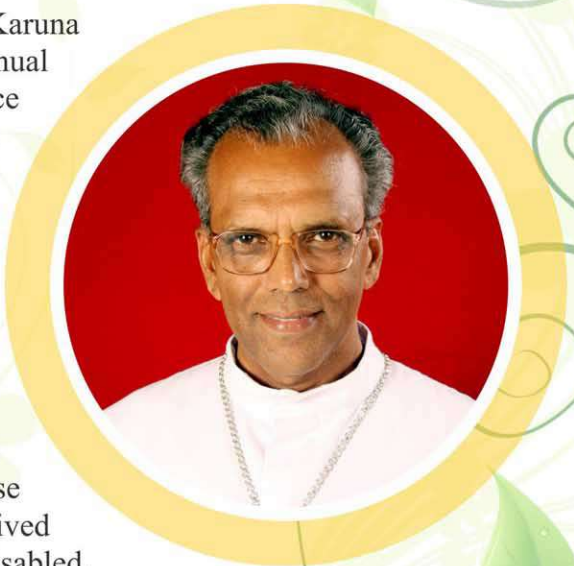

I feel immensely pleased to know that Karuna Social Service Society is releasing its annual Report (2015-2016). KSSS, the social service wing of the Diocese of Bijnor, implements various social activities for genuinely empowering the marginalised section in the society like, persons with disabilities, children, women and other needy sections of people in the Diocese.

KSSS as a humanitarian agency or a trusted organization has grown into a nation level NGO for the total development of the downtrodden in the society. I have immense satisfaction that through KSSS, the deprived sections of society particularly women, the disabled, farmers, victims of the disasters are getting united into well organized functioning-groups and are becoming able to participate in the development of their respective areas to improve their socio-economic conditions.

In this Year of Mercy 2016, I believe, people in the Diocese have experienced God's abundant paternal love through various merciful acts of Karuna Social Service Society creating great social impact all over.

May I congratulate and thank all the Priests at the mission stations, Sisters in Charges of social work, project staff of different projects, government departments, donors, supporters, Gram Panchayats, Community based organizations, media and KSSS staff for their dedicated and committed works for the genuine development of the needy communities living in the remote rural areas both up in the hills and down in the plains.

Seeking showers of God's abundant blessings,

BISHOP JOHN VADAKEL CMI

President of KSSS
of the Diocese of Bijnor

Director Speaks

Dear friends and well-wishers...

As the Director of this august organization I have the pleasure to present before you the annual report of Karuna Social Service Society (KSSS) for the year 2015-2016. I do hope this brief report will give you a glimpse of our social engagements.

By the concert efforts, KSSS has imprinted an undeniable mark in the social landscape of Dist. Bijnor and Garhwal. Last year witnessed rapid strides in our thrust areas and other related fields. Thus, the year gone by has added many feathers to the organization's cap with numerous achievements.

This report will inscribe only those undertakings of KSSS that were initiated in the just concluded year. In Garhwal that witnessed a devastating flash flood last year, the main thrust of Karuna was to reconstruct and rehabilitate those people affected by it. In District Bijnor, the activities of the KSSS have remained true to its thrust areas of integral development of the rural populace. Attuned to a fast changing world, the undertakings of the organization have been in line with the changing demands of time.

I am grateful to my Bishop, associates, co-workers, benefactors, government officials, political fraternity and fellow non-governmental organization for their wholehearted support. The organization, KSSS has constantly received support and cooperation in the form of prayers, monetary aids and timely interventions and suggestions to make our activities more fruitful and worthwhile. Once again, I thank you all for your valuable support to us.

Fr Pious Philip
Director
