Director Speaks

Dear Friends and well wishers,

Greetings!

This Annual Report is the reflection of all the Project-related activities of Karuna Social Service Society (KSSS) of the year 2017-2018.

It has been a remarkable year for all of us at Karuna and for all associated with us.

Fulfilling the motto of KSSS, Together Towards a Better Tomorrow, many kindhearted individuals and NGOs generously extended their helping hands to truly form a better tomorrow for the poor and the less fortunate of our society. With their helps and assurances of togetherness, KSSS could carry out missions and tasks which eventually benefitted hundreds and thousands of families. KSSS is committed to continuing such activities of social uplift whether it is in the field of livelihood restoration, trainings on vocational trades, disaster risk reduction etc...

KSSS, in the last one year, has also succeeded in strengthening its reputation and accelerated its effectiveness with the help and generous contributions of several partners. I am deeply indebted to all our partners and collaborators for their selfless acts of mercy.

May I also, at this juncture, extend my sincere appreciation to all my supporting staff for their relentless and untiring enthusiasm that drive them ahead to make this society a better place to live in!

Thanking all of you for what you have been to KSSS and seeking your enhanced support...
